

## **MARTIN KLUSOŇ**

*Owner and CEO Symphera, Senior Consultant, Senior Trainer,  
Project Management, Agile & Leadership Expert*

### **25 years of experience**

- He has spent most of his professional life delivering large projects, mainly through IT programs, leading project offices and training.
- He has trained over 7.000 project managers, Product Owners and Scrum Masters across professions in Czech, Europe, and USA.
- In recent years he has mostly focused on strategic management and company transformations.
- With board members and business owners, he regularly addresses companies changes through project offices, complex programs or agile transformations .
- He also helps them significantly on the level of leadership and setting up a company culture.

### **Certification**

PRINCE2® a PRINCE2® Agile Approved Trainer, PMP®, SAFe® Agilist, and others

### **Professional activities**

- He is the Honorary President and Co-Founder of the Chamber of Project Managers, which aims to cultivate the craft of project and agile management.
- He founded the Project Management Conference, which, with its size and expertise, is one of the largest events in Europe. It now bears the name Project, Agile & Leadership.
- As a recognized expert, he speaks at professional conferences (not only) about agility and writes professional articles.
